Virginia. At a County Court held in and for the County of Rockingham. at the Court House thereof on Monday November 19. 1894
Present Hon. George G. Grattan presiding.

In the Circuit Court of Rockingham County Va. October Term 1894.
Lydia Crowshorn Margaret Crowshorn. Plaintiffs in Error.

George D. Wheelock. Deft in Error.

Writ of Error to a Judgment of the County Court of Rockingham rendered on the 27th day of September 1894.

This day Came again the parties by their Attorneys; and the Court having seen and inspected the transcript of the record of the judgment aforesaid is of opinion that there is error in the said judgment in not setting aside the verdict of the jury and granting a new trial as the said verdict was Contrary to the law and the evidence. It is therefore Considered that the said judgment be reversed and annuled and that the plaintiffs in error recover of the defendant in error the Costs in the prosecution of their writ of error expended and the Court proceeding to render such judgment as the County Court ought to have rendered. It is Considered that the verdict of the Jury herein be set aside and a new trial be had on the usual terms

And this Cause is retained in this Court for further proceedings. All of which is ordered to be Certified to the County Court of Rockingham

Dear Sir:— In issuing that judgement against Joshua Ritchie I notice you have not marked my little girl as having claimed her attendance. Some time ago Mr. Manck spoke to you on the street & told you that she claimed her attendance.

I merely write this thinking that you must have forgotten to mark it.

I think I have most all the rest of the tickets.

Hoping this may serve to correct the err,

I am,

Yours truly
