This day came Charles G. Skinner who alleges that he is aggrieved by an Entry in the Land books made by John R. Jones Commissioner of the revenue for Central District in said County. in the years 1878 & 1879 whereby he is charged with $5.22 Taxes for the year 1878 and $5.27 Taxes for the year 1879 on 3 lots of land described as lying in Loewenbach addition to the Town of Harrisonburg. And thereupon the said Charles G. Skinner moved the Court to exonerate him from the payment of $8.57 part of the taxes so erroneously charged against him said years which motion was defended by George G. Grattan the Attorney of the Commonwealth for said County. and the said John R. Jones the Commissioner who made the assessment, was examined as a witness touching the Application And it appearing that said books. in which said alleged erroneous entry has been made. was certified by the Clerk of the County Court of this County on the day of 1878 & 9, and that application for redress against the erroneous entry was made on this day for the first time. and it appearing that on the Land books of Rockingham County for the year 1877 Charles G. Skinner was assessed with lots in the town of Harrisonburg known as lots No 56. 57 & 58 in Loewenbach's addition to said town at a Valuation including buildings of $700. of which Sum $500 is assessed as the value of buildings upon the same and that the said lots of land were marked respectively R Wilson L Sutton and J Snyder & T. Keenan to pay that on the Land book of said County for the year 1878. one of the above lots known as lot No 58 is transferred to R.H Wilson and is assessed to him at a Valuation of $566 2/3 of which Sum $500. is included as the assessed value of the buildings upon that lot that this lot assessed to R. H. Wilson is the only one of the three lots above referred to upon which there are any buildings. the other two known as lots No 56 & 57 in Loewenbach's addition being vacant & without buildings that the original assessment of all of these lots when without buildings was $66 2/3 each that the assessor after making the transfer of the lot with the buildings upon to R.H. Wilson failed to deduct from the $700 the aggregate assessment of the three lots together the Sum of $566 2/3 for the Wilson Lot and lots No 56 & 57 thus Stand assessed at $700. when in fact they should Stand assessed at $133 1/3. and this error in the book of 1878 was copied into & continued in the book of 1879 the same lots being assessed in that year at $700. instead of at $133 1/3 as they ought to be and that the State Tax on said two lots No. 56 & 57 for 1878 & 1879 respectively instead of being $3.50 for each of said years ought to be 67¢ for each year and that the County & R. R. Tax instead of being $1.72 for the year 1878 ought to be 28¢ and instead of being $1.77 for the year 1879 ought to be 30¢ all which the Court certifies as facts proved upon the application aforesaid: On consideration whereof. and from Such facts so proved the Court is Satisfied that the said Charles G. Skinner is erroneously charged on said books with taxes amounting to $8.57 whereupon it is ordered that the said Charles G. Skinner be exonerated from the payment of $8.57 as so erroneously charged if not already paid. and if paid that it be refunded to him $5.66 of which

is State and $2.91 County Taxes.

Daniel Byerly Plff. — in Error.
against
George W. Hollar, Deft. — in Error.

Upon a writ of Error and Supersedeas to judgments of the Circuit Court of Rockingham County, rendered at January Term, 1880, and January Term, 1881, respectively, upon writs of Error and Supersedeas in which George W. Hollar was plaintiff, in error and Daniel Byerly was Defendant in error, reversing and annulling judgments of the County Court of said County, in an action of Unlawful Detainer, in which Daniel Byerly was plaintiff and George W. Hollar was defendant.

This day came again the parties by their counsel, and the Court having maturely considered the transcript of the record of the judgments aforesaid and the arguments of counsel, is of opinion, for reasons stated in writing and filed with the record, that no error was committed by the County Court in giving the instructions to the Jury Nos. 1 & 2, as moved by the plaintiff, on the last trial, and in refusing

to give instruction No. 1 for the defendant, to which rulings of the Court, the defendant excepted, and that there is no error in the judgment of the said County Court rendered on the 29th day of December 1880, which was superseded upon a writ of error from the Circuit Court of Rockingham County, and that the judgment of the said Circuit Court rendered at its January term 1881, reversing said judgment of the County Court, setting aside the verdict, and granting the Defendant a new trial, is erroneous. It is therefore considered that the said judgment of the Circuit Court be reversed and annulled, and that the Plaintiff in Error recover against the Defendant in Error his costs by him expended in the prosecution of his writ of Error here.

And this Court, proceeding to render such judgment as the Circuit Court ought to have rendered, it is considered that the judgment aforesaid of the County Court of Rockingham County be and the same is hereby affirmed, and that the Defendant in Error in the said proceeding in the Circuit Court, the Plaintiff in Error here, do recover his costs in defending the said writ of Error in the said Circuit Court, which is ordered to be certified to the said Circuit Court of Rockingham County.

This day came again the parties by their counsel, and the Court having considered the transcript of the record of the judgment of the County Court and the petition accompanying the same and the arguments of counsel, is of opinion that the judgment of the County Court is erroneous and must be reversed; It is therefore considered by the Court, that the judgment of the County Court rendered on the 21st of June 1881, be reversed and annulled, and that the plaintiff in error, George W. Grady recover of the defendant in error, James Steele, his costs expended in the prosecution of his writ of Error and Supersedeas here, and the Court proceeding to render such judgment as the County Court ought to have rendered, It is considered that the Execution referred to in the notice of George W.
