The Committee appointed at the last meeting to prepare Suitable resolutions upon the death of J. P. Miller late member of this board. This day submitted the following resolutions
Jacob Preston Miller was born December 1. 1852. on a farm near Broadway Rockingham County Virginia. and died on the same farm April 15. 1905. after a brief illness. As a business man he was industrious, intelligent and prosperous. As an official he was Conservative, alert and painstaking. As a neighbor he was Courteous. Sympathetic and obliging. As a Citizen he was Loyal,

progressive and patriotic.

He was a member of the German Baptist Church. At the time of his death he was a member of the Board of Supervisors of the Broadway National Bank and the representatives from Plains District on the Board of Supervisors of Rockingham County, in which latter position he had also served a former term and during such term was Chairman of the Board from July 1. 1898. to July 1. 1899.

He left a lasting impress for good upon the Community in which he lived and died In the various relations of life he will be missed by his neighbors and friends as few men are missed and his death is mourned by all.

Therefore and in testimony of the esteem in which he was held as a Member of the Board of Supervisors of Rockingham County and in token of the desire of said Board to Cherish his memory,

Be it resolved that this paper be Copied by the Clerk of this Board in the Minute Book of the Board, that a Copy hereof Signed by said Board be forward to the brother of the deceased and a Copy published in the Newspapers of this County.

Respectfully Submitted:

Harrisonburg. Va Nov 1st 1905

Mr. F. A. Heatwole. Chairman.

Board of Supervisors. Rockingham County Va Harrisonburg. Va

Dear Sir: I have just made a very thorough inspection of the electric wiring which has recently been done in the County Court House and County Jail, and find that the Specifications under which this work was done have been complied with. Both installations have been thoroughly overhauled and are

now in very good Condition, and while they are not entirely up to present Standard, they will be accepted as Satisfactory.

Yours Truly.

Signed. A. P. Afferson

The Road Board of Plains Magisterial District. having this day Submitted to this Board. Survey and Plat of the lines of the Coates Store & Broadway road established some years. ago, and asked to have the same Spread upon the minutes of the Board. On motion by Unanimous Vote of the Board. said request is granted, and is in the following words and figures to-wit:

Scale 10 pos. to the inch

Road as first located Shown by B.L.K. lines
Change as agreed upon by dotted black lines
Encroachments on road by red lines.

To the Board of Plains Dist.

At the request of the Road Board of Plains District. on the 21st day of April 1906. I went to Coates Store, to locate if possible the lines of the Coates Store and Broadway road as established about 20 years ago, this being done for the purpose of finding out what encroachments, if any, had been made on the road by the property owners along same. The papers. by which the road was established having been lost the only way to determine the Original location of the road. was by the evidence of residents of the neighborhood. Some old fence posts. which are still standing and the statement of Mr. John M. Rhodes who was one of the Viewers that made the location, and who by the way is the only one now living. From the information obtained from the above Sources. the Conclusion was reached that the original location was about as is shown on the accompanying plat by the Solid black lines, and that the encroachments are as shown by the red lines. It is thought that where the Broadway road leaves the Dunkley town road. the Sixth line of the Broadway road would cut off the greater

part of the porch in front of Noah Hoover's Store house now occupied by J.P. Billingsley, thence through the Stable, Shed and other out buildings, east of the Store building, all of which are owned by Hoover, this line would then Cut 4 feet off the Corner of Hoovers field just east of these out buildings, on a line to an old fence post standing on a Steep bank outside of Hoover's fence; from the top of the Steep bank, at a marked fence post, to the Gallehue line. The Hoover fence is out in the road limits, the road line running just south of a telephone pole. this Strip would run to a point at the Gallehue line Mrs. Ida E. Cootes' fence was found to be on the road limits as follows; at the locust tree in front of the old shop. the North line of road is one foot and 2 inches north of the locust, measuring from the North side of the tree about 3 feet from the ground. then to a Stake in the Cootes field at the foot of the Steep bank, From the foot to the top of the bank, there are a few places that the Cootes fence is thought to be on the road limits, this is determined by measuring 30 feet from the old fence posts which stand on the South Side of the road. From the top of the Steep bank to the Gallehue line, the Cootes' fence is out, from about a foot at the top of the hill measuring 30 feet from a line of the South Side of the telephone pole refered to above, on the Hoover Side to a point at the Gallehue line.

On the 18th day of May 1906. I was asked to make a Survey of a change in the above described road in front of Hoovers Store house in accordance with an agreement entered into on that day between Noah Hoover, Ida E. Cootes and the Road Board of Plains District, also to put a Valuation on the land of said Ida E. Cootes that might be needed to make a 30 foot road. Clear of said Hoovers Store porch. Which was done as follows:-

Beginning at a point in the Turleytown road, on a line with a point on Cootes Yard fence, 19 feet and 8 inches north of the yard gate, thence, S.80 3/4° E 8 pp.s.e. This Change is shown on the plat by dotted black lines. This line being the middle of the road. The North line of the road was marked by heavy Iron pins. The Center line of the road begins 1.08 poles North of the Cootes Corner in the Turleytown road, which is also marked by an iron pin.

This change will take 4 Sq. poles of the Cootes' land and is worth in my opinion all the Circumstances Considered. Ten dollars. Respectfully Submitted

This 19th day of May 1906. J. G. Myers S.R.B.

June 1/06

On motion by Unanimous Vote of the Board the Board doth adopt for Rockingham County. the Act of the General Assembly of Virginia, Approved March 17th 1906. On motion of William H. Dipe, Supervisor for Ashby Magisterial District in this County. On motion by Unanimous Vote of the board, and of C. I. Ballenger Samuel Garber and E. R. Deavers three of the Commissioners of Roads of this County who were present, leave is given the Road Board of said Ashby Magisterial District, to increase its District Road Levy to an amount not exceeding twenty five (25) Cents on each One Hundred ($100.00) Dollars of the assessed Value of all Real Estate and personal property in said District not exempt by law.

On the Application of Geo. E. Benger & others, for the Establishment and Construction of an Iron or Steel Bridge over Muddy Creek at Hinton in this County, also the Construction of Public Road.

J. G. Myers, Surveyor of this County, having at the request of one of the members of this board made a Survey of the Changes in the public roads at Hinton made necessary by the Construction of the New bridge at that place, this day submitted the same to the board, And on motion by Vote of the board it is ordered that the same be spread upon the minutes, and is as follows.

Beginning at a point in the road in front of Mrs. Drayers house, 35 feet east of the face of the East abutment wall to bridge, to a point in same, even with the face of the wall of West abutment; thence, N 57½ W 150 feet to a point in the old road on the West Side of the Mill race and 15 feet from the fence on the North side of the road.; Then began at the same point - 15 feet east of the face of the East abutment wall in front of Mrs Drayers house - and ran N 42° E 365 feet, and N. 52 ¾° E 194 feet; to a point in the old road 15 feet N W. of a locust tree. Then beginning at the same point again in front of Mrs Drayers house; thence S. 27½° W. 60 feet; S 15° W. 100 feet; S. 8° W. 200 feet and S. 1° W 93 feet, to the old Hinton and Dayton road, at the end of the 93 foot line, where the new road enters the Dayton road, in addition to the 30 foot in width, on the west side of the new road, a triangular piece of ground is taken from Mrs. Drayer, in order to give room for a turn in the private road leading towards Amos Shanks Mill, this piece is 39 + 26 + 30 feet as is shown on the accompanying plat and Contains about 1½ Sq. poles. Mrs Drayer Claims she has never been paid for this piece of land and as the $125.00 already allowed her seems little, when the damage to her lot is Considered, She having had 85 or 90 poles of fence to build, besides taking the best part of her lot, this allowance should be made liberal. The new fence as built by Amos Shank on the West side of the bridge is on the location of the road and should be set back as staked out in accordance with the above Survey. The fill on the west side of the bridge instead of running out level to the Culvert at the Mill race, as was expected by Mr Shank lacks about 3 feet of this at the West end of the fill and about 30 or 35 feet of reaching and Culvert, which leaves a low place where the water will run in

times of high water. Respectfully Submitted

J. G. Myers

the funds appropriated for the purpose of said road

On motion of Mr. Fahrney by Unanimous Vote of the Board the following resolution and order were adopted and approved and ordered to be spread upon the minutes.

Whereas at a Meeting of the Board of Supervisors of Rockingham County, held at the Court House of said County, February 6th 1904. a resolution was adopted appropriating $10.000,00 payable from the County levies of 1904 and 1905 toward the establishment of a Female Normal School proposed and referred to in an act of the Legislature of Virginia. Approved January 11 1904

And Whereas by an act of the Legislature Approved March 14th 1904, the Board of Supervisors of said County in order to secure the location of the said School at or near Harrisonburg was empowered to appropriate toward the establishment of said School at or near Harrisonburg, the sum of not exceeding $20.000.00;

And Whereas the establishment and location of the said School though not yet determined by the Legislature of Virginia, will probably be Considered at the Session thereof in the 1908 and determined by said Session either under the said Act of January 11 1904. or some other and new Act.

Therefore, be it resolved that the Sum of $10.000,00 be and is hereby donated and appropriated toward the establishment and Erection of such State Normal School as may be established or directed to be established by the Legislature of Virginia at or near Harrisonburg, Va., in the County of Rockingham in pursuance of the Acts aforesaid, or any enactment by the General Assembly of Virginia at the Session in 1908, which Sum shall be payable in equal proportions out of the County levy of Rockingham of the years 1908 and 1909. respectively, to such person or persons as may be designated by the Legislature of Virginia or the Authorities intrusted by law with the location and establishment of said Normal School.

This Appropriation is made in lieu of that heretofore offered to by the order of this Board entered February 6th, 1904, and is Conditioned upon such Normal School being established and located at or near Harrisonburg, in the County of Rockingham,

And upon the appropriation and donation by the Town of Harrisonburg of at least $5,000.00 to the establishment of said School at the said Town of Harrisonburg.

It is further ordered in pursuance of Authority of the said Act of the Legislature of Virginia, Approved March 14, 1904, that the Clerk of this Board issue a warrant on the Treasurer of this County payable out of the general County levy to G. Ed. Miller, Treasurer of the Rockingham County Normal School Committee for the Sum of $400.00 which Sum, or so much thereof as may be necessary is for the purpose of defraying legitimate and necessary expenses of the Committee recently appointed from Citizens of said County incident to securing favorable action by the said Legislature in the location of the said School at or near Harrisonburg, such portion of said Sum as is not so expended to be refunded to the Treasurer of said County and by him to the general County levy fund This appropriation of $400.00 is Conditioned upon a similar appropriation by the Council of the Town of Harrisonburg of not less than $200.00 and that of any Committee selected to wait upon & visit the Legislature in Connection with the location of said School, said Board shall name two thirds of said Committee.

On motion the Board adjourned to meet January 1907.

The result of my visit to Charlottesville on April 16. as per your order for the purpose of Conferencing with Dr. J. G. Ferneyhough. State Veterinarian in regard to the Tuberculosis Cattle of this County was quite Satisfactory. He expressed himself as being well pleased as was also the Board of Control at the action and very correct manner. in which you met the Conditions as found in Cattle of the County. that it was done in such a way as was not equalled by any other County in the State. But owning to the State laws. governing the Control of Contageous and infectious diseases. of Stock being so complete advised that your Board not Continue with quite so much energy. except where. you had good reasons to believe that Tuberculosis did exist. and then at your pleasure.

As to the Quarantine which had been placed around Certain herds and premises. would advise that they be lefted. except as to all Cattle that was being held. as Suspected and pending further examination

Respectfully Submitted

John A. Myers. Acting Veterinarian for the

Harrisonburg Va June 19. 1909.

To the Board of Supervisors of Rockingham County

The undersigned Commissioners appointed by your board on the 17th day of June 1909. To go upon the road Contracted by John H. Monger the Contractor said road petitioned for by P. S. Adams &others, would most respectfully report that we have performed that duty and find that the Contractor has fully Complied with his Contract, and has Certainly done more work upon the road than the amount allowed him for said work would remunerate him, the road is very much better than the average of New roads established in this County and we unhesitatingly recommend that that the same be accepted by your board. Respectfully Submitted.

On motion by Unanimous Vote of the Board the Chairman of this Board is ordered to procure from the State Board of Health the number of Units of Diphtheria Antitoxin as the the Medical members of our County Board of Health may deem necessary at present and place the same at some Convenient point for distribution to those who may be in need of same.

On the Application of John H. Simmons & others for making certain Changes and widening the Storey Run Road and also the Establishment of a New Road through the lands of H. C. Miller & others This day came again the petitioners and the land-owners having been duly Summoned And the Board having examined the report of the Viewers and being of opinion that that portion of the road from South of the Gladwell House to the H. C. Miller Ford should be changed and widened as set forth in the report of the Viewers. On motion by unanimous Vote of the Board it is ordered that said Changes be made in accordance with the report of the Viewers.

as follows. Beginning at a bar post South of the Gladwell house. Thence running East about 10 poles to a post near the ford at the junction of the Henry run and Coal Mill roads. Cutting off about 16 sqr. poles of land of Henry Thacker @ $50 per acre $3.12½ and setting back 10 rods of fence @ 10¢ Total $4.12½
The above land belongs to Henry Thacker and located on N side of said run. Thence Crossing said run to South side and on lands of Ed Heaturle. Beginning at a locust tree Thence S 85° E 9.30 poles to an angle and stake. Thence S 51¾ E 2.6 poles to a stake at an Angle. Thence S 25° E 8 poles to the North side of a locust tree above said Heaturles gate and on limits of old road. This strip varies from ½ to 1 pole in width and is on an elevation from 1 to 2 ft higher than the old road bed and will save a great amount of filling to prevent the water from getting over it. Yet it will require a dam at the upper end just below the ford from 12 to 18 inches high and 15 or 20 ft long with various fills along the bank between the new and old roads to widen and elevate the same. There is ¼ of an acre included in this Survey @ $50 per acre $12.50 the said Heaturle agrees to set back his fence at his own expense
The re-Crossing said run just above the old ford at said Heaturles gate and on the lands of Mrs Henry Thacker and along South side of her orchard. Beginning at a locust tree thence S 48° E 12 poles to a stake at an angle thence S 78¾ E 10.35 poles to a stake at an angle. Thence S 79½° E 15 poles to a fence post on limits of old road. This Survey includes a strip from below the ford to set back 1½ poles wide and on an elevation of ½ to 2 ft and the rest of the way the strip is ¼ of a pole wide this part is not elevated much simply wash to widen the road and also too near a row of apple trees to go any farther back. There will be a dam required at the first angle below the ford and about 18 inches high 15 ft long with a fill in the road below the dam 10 or 12 poles long 10 to 12 inches deep. This Survey Contains 23 Sqr. poles of land @ $50 per acre $7.20 38 rods of fence to set back @ 10¢ $3.80 1 apple tree to take out $2.00
Total $13.00
The next Survey was made along Calvin Millers lot beginning at the left hand gate post below the Corner of his yard. Thence S 32½° E 8.60 poles to a stake at an angle, Thence S 62½° E 6.80 poles to a Cedar on E side of old road this Strip Varies from ½ to 1 pole wide and Contains 11 Sqr poles of land @ 50 per acre $3.45 + 15½ rods of fence to set back @ 10 per rod $1.55 = $5.00
There will be a fill necessary along the last line in this Survey for a distance of 7 poles and running from 1 foot to 18 inches in depth and not less than 12 ft wide. The next Survey is on the lands of A H Miller and beginning at a bar post. Thence S 21½° E 23.30 poles to the line between him and A. G Miller. This Strip Contains 14 Sqr. poles @ 60¢ per acre $5.25 23½ rods of fence to set back @ 10 cts per road $2.35
Total $7.60
Thence on the lands of A. G Miller beginning at the line between him and A H Miller Thence S 21½° E 21.70 pole to a stake at an Angle, Thence S 16½° E 8.25 poles to a stake on limits of old road and at this point another large fill in old road should begin and on by next Angle which is 7 rods below and 5 rods below said Angle making a distance of 12 rods with a fill not less than 18 inches deep nor less than 12 ft wide and better 15 ft wide also right offside this fill is a short bend (horse shoe like) in the Creek and there should be a Channel Cut through for a distance of 6 or 8 rods and deep enough to receive the water freely and not less than 8 ft wide and 10 ft would be better also there should be a dam across the old Channel at the entrance of the new, to turn the water in the new Channel and avoid whipping the bank of the road around the bend. Thence Beginning another Survey near the lower end of this fill running S 23¾° E 12 poles to a pair of bars this strip is a little over ½ pole wide in middle and tapering to a point at each end this is to widen the road at the bend in Creek. Thence another Survey a short distance below the said bars beginning at a fence post near a Chone pole. Thence S 5½° E 6 poles to a

Thence N. 20½ E 20½. E 8 poles. to a small Cedar at the fence Thence N. 9¾ E 12 poles. to a Stake at head in old road at said W. G. Millers and at this point a new road is proposed. which will be explained later in this report there is one Rood and 4 Sqr. poles. of land Contained in the Survey on said W. G. Millers land and all Smooth land and valued at $60 per acre $16.50 68 rods of fence to set back @ 10¢ per rod $6.80 $23.30
Thence from this point to Mrs Sarah Kellers mail Box a distance of 70 poles. and where the Dry Hollow road. Unites with the Muncy run and Rushville road and where the road leave the Creek.
Thence beginning on the South side of said road. and at the Creek. and running. N 44¾ E. 39.30 poles to an angle Thence N 61½. E 15 poles. to the line between her and Aldine Kinsley and Containing 27 Sqr. poles. @ $50 per Acre $8.45 + 57½ rods of fence to set back @ 10¢ per rod 5.45 Total $13.90
Thence on the land of said Aldine Kinsley. N 60¼ E 108 poles to the junction where the Dry River road. leaves this road to go South thru Muncy Contains 24 Sqr. poles. and Valued at 60 per Acre $9.00
This part of the road from the Creek to this point we recommend only 20 ft wide as there are no heavy side drains needed. but from this point on along the lands of Wade Flory we recommend the said road made 30 ft wide as there are several branches to Contend with and need more room for drainage. Thence beginning at east side of said Dry River road and with South side of Rushville road and running N 60¼ E 46 poles. to the South east Corner of I. H. Rohrers farm. and as far as the petition Called for but we recommend 4 poles further. to Control the water better at a Culvert near the South west Corner of J. W. Shackles farm. this Survey Contains 31 sqr. poles of land and the said Flory requires no land or fence damage in the event that he be permitted to move a drain or ditch just out side of the fence which will Come in said ditch a part of the way when. moves back and there is a Considerable bank of dirt that has been thrown up. next to the fence or between the ditch and where the fence Stands at this time, we recommend to be put out into the road to elevate the road more and we think there will be room for the ditch outside of the fence the land being in manner level. and Can all be utilized. The Total land and fence damage on the above Changes. amount to $88.42 And the following names persons are allowed the sum of price then names for their land damages fencing as Viz: Henry Shacker $4.16 C. of H. Headrick $12.50 Mrs Hemp Shacker $13.00 Calvin Miller $5.00 A. H. Miller $7.60 W. G. Miller $23.30 Mrs Sarah Keller $13.90 Aldine Kinsley $9.00 and doth appropriate the sum of $225.00 for the Construction of said work being one half of the amount reported by the Viewers the petitioners agreeing to pay the balance and the Road Commr. for Ashby District is ordered to let to Contract the Construction of said work and make report to this Board as the law provides.

On the motion of Charles E. Yancey, J.N. Swank, M.H. Harrison and Geo. N. Conrad, Commonwealth's Attorney, are appointed a committee to prepare suitable resolutions on the death of Joseph B. Messerley, late chief Deputy Clerk, and as such acting Clerk of this board, and leaving submitted resolutions, On motion by unanimous vote of the board the same are approved and adopted, which are in words as follows Viz:-

By the death of Joseph B. Messerley which occurred in Harrisonburg, Virginia, on the 7th day of January, 1910. there was a loss to the State of one of its most loyal citizens, there was a loss to the Church of an exemplary Christian, and faithful servant, there was a loss to a great multitude of a friend without guile, there was a loss to the County of an officer long Trusted and always True. there was a loss to his family of a devoted husband and

father, but perhaps in no relation of life will he be missed to a greater degree than by the Board of Supervisors of Rockingham County to whom he was indeed "Mouth and Wisdom". For about Twentyfive Years he had been Clerk of this Board. He had in that time acquired so intimate an acquantance with all the duties and difficulties which pertain to the office of the Supervisors, that much which would otherwise have perplexed was made clear, hard tasks were made easier, and errors were made fewer. Without flattery, but with sincerity, we believe we can record that no County in Virginia possessed a more capable, trustworthy and efficient Clerk for its Board of Supervisors than was found in the person of Joseph S. Messerley. Not only was he efficient but there was about him that humility which made him beloved and that good cheer which give gladness to toil.

On that great record of human lives which is written above, surely there was written when his earthly work was ended, the words, "Well done, good and faithful servant." No more fitting words can be found for us to record on the minutes of the Board of Supervisors to express, at the end of his labors for us, as the measure of our esteem for him than the same words, "Well done, good and faithful servant."

That there may be preserved to future time some memorial of the regard we have for him and of his work among us, therefore, Be it Resolved that this paper be spread upon the minutes of the Board of Supervisors. Be it further resolved that a copy thereof be published in the newspapers of this County, that a copy be suitably printed and framed and hung in the Clerk's Office of this County and a copy sent to the family of the deceased.

It was agreed and authorized by the Board to move the line of road up the hollow 10 feet making a bend

in the line of road in the hollow and running from this point in a straight line to the stake on the bank in Mrs. Kiser's field at the north end of the original straight line and from this point in the hollow at the widest point in the ditch going south, the line of the road to intersect the original location at a point between 3 & 4 poles south of the white oak tree. It being agreed by the agents & attorney for Mrs Kiser to fill what ever portion of the ditch coming within the 30 foot right-of-way & so construct the banks of same by rocks or otherwise as to prevent as far as possible, damage to the right of way by reason of washing of the fill or fills and it was further agreed for Mrs Kiser that in consideration of ten dollars to be paid her by the county that she would erect and construct a fill or embankment across the hollow above the road, so as to protect the road from water & to cause the water to cross the road in its proper channel as provided on said proposed road. The levee or embankment to be constructed in a manner satisfactory to the Road Commissioner and it is agreed by said parties that in case said embankment is insufficient or becomes so from any cause, that the Road Commissioner shall have the right to go upon the premises for the purpose of replacing or repairing said embankment.

On motion & by vote of the Board the Clerk is directed to draw a warrant on the Treasurer of the County for 10.00 payable to Mrs Mary Kiser, when the fill & embankment are made satisfactory to the Road Comr.

On the application of S. R. Bowman & the Report of the viewers was received, filed & continued.

On motion the Board adjourned to meet Wednesday, April 20, 1910.

Wenger be paid the sum of $8.00 pd in full of damages, land and fencing, and the Road Commissioner of Linville District is ordered to open said road in accordance with the above order. Linville District to pay for opening and constructing said road.

H.J. Sughrue & Pub. Road -

On the Application of H. J. Sughrue. And others for the Establishment of a public road through the lands of G. A. C. Armentrout and others:

E. A. Heatwole and J. G. Myers having at a former meeting of the Board been authorized to endeavor to adjust the matter of location of the road asked for in said Petition report as follows:

That G. A. C. Armentrout agrees to set his fence back on the lot where he lives, to a line running from the N. W. corner of his yard fence to the first post east of his present fence, at the S. W. Corner of his lot; which would make the road 16 feet wide at the corner of the yard and 27 feet wide at the lower corner of his lot, measuring from where Frank Coffman' fence now stands, the fence below the yard to be set back whenever the road was established, but the yard fence itself, to remain where it is until it is in need of rebuilding, when it should be set back to this line, the bearing of this line being S. 8 degrees E. . He agrees to give the land thus thrown out on condition that he is paid for the 11 poles of fence, from his yard to Jas. C. Armentrout's line, and on the further condition, that the present road be widened on the east instead of on the west, from the creek southward, as recommended by the viewers, also the the walnut and cherry trees be left standig for the present, he proposing to cut the wAlnut tree in a few years, while one of the cherry trees is practically dead now, and the others would make very little obstruction to the road.

Pd

Mr Jas. C. Armentrout agrees to set back his fence and give the land, for the 19 or 20 poles along his land on the east side of the present road, making it 25 feet wide, measuring from the G? A. C. Armentrout line, providing he is paid $12.50 for land and for moving his picket fence.

Pd

The road runs about 43-1/2 poles along F. N. Tibbins' land, the first 8 poles being along his garden, this part of the road averaging about 16-1/2 feet wide, the next five poles being along the front of his yard, where the present road is 20 feet wide, the remaining 18-1/2 poles, along his lot is 17 feet wide, this part of the lot is enclosed with only a rail fence.

Mr. Taylor who owns the land on the east side of the road for the next 30-1/2 pol agrees to give the neeessary land to make a 25 foot road from Tibbins' corner to the lot at the Taylor house, 24-1/2 poles, and, for a 20 foot road, for the 6 poles in front of the house, on condition that he is paid for the 24-1/2 poles of fence, neede from Tibbins' corner to the lot at the house.

Respectfully submitted,

J. G. Myers.

F. N. Tibbe s appeared and agreed to accept $20.00 in full of his damages, land and fence and for setting his fence back on the line.

On motion by vote of the Board it is ordered that the road be established as above set forth and that G. A. C. Armentrout be paid the sum of $6.60 pd, that Jas. C. W. W. Campbell &c

On the Application of W. W. Campbell &c A. S. Ringgold Commissioner of Roads for Ashby District having reported that Mr. R. L. Carrico, the contractor for opening & building the road established on this petition, had completed said road according to contract, except making fill to small bridge or culvert recommending that Mr. Carrico be paid the amount of the contract price for said work - On motion by vote of the Board the Clerk was ordered to draw a warrant on the Treasurer of this County for payment of the same.

On the Application of S. C. Bowman & others for the establishment of a public Road - Upon consideration by the Board of the proceedings heretofore filed in this matter & the further report of the Commissioners appointed to assess the damages of Michael Summers, John Strandsman & Bush Summers, & being of the opinion that the road is a public necessity, and the land owners having been summoned, & the Board considering the damages allowed by the viewers & Commissioners

adequate; On motion and by vote of the Board it is ordered that the said road be established in accordance with the report of the viewers filed in this cause on the 14th day of April, 1910, as follows; Beginning at the end of the Bowman's lane, at the west corner of J. L. Long's land; thence, running with the present lane, N. 53-1/4 E. 9 poles to a fence post at the N. W. edge of said Long's pond; thence N. 60-3/4 E. 36 poles. to a point in the point of the lane, 8 feet south of Alex Stewart's corner and 15 feet from S. R. Bowman's picket fence; the intention being to widen the lane on Long's land to a width of 30 feet, by measuring from Bowman's picket fence. Where the the land passes Long's pond, we think the present width sufficient, and that the Long fence could be left where it is, as is indicated on the plat; also in front of Alex. Stewart's house, we think the fences could be left as they now are from the N. W. corner of the Stewart lot, the lane should be widened to 3o feet, by measuring from Bowman's Picket fence, which fence is on the west side of the lane. From the point 8 feet south of Stewarts corner, the lane runs N. 22 -1/4 E. 97.20 poles, passing Stewart's corner 9 poles, thence through S. R. Bowman's land to a point even with a corner to another tract of land belonging to said J. L. Long; from thos point the lane should be widened on the west instead of the east side; as is recommended up to this point, taking the land needed for a 30 foot road from said Long by measuring from from the line of the lands belonging to S. R. Bowman, Paul Rhinehart, M. A. Allebaugh and C. H. Allebaugh, running on the saMe course, 122.60 poles on Long's land and 64 poles on the Morris Bros.' land to the turn of the road at the line between said Morris Bros. and C. W. Koontz, near C. H. Allebaugh's corner: At this point it is te the intention to cut across the corner of said Allebaugh's land, getting the width of the road by measuring from his and the Morris Bors. corner, as is shown on the plat Mr. Allebaugh , giving his consent to htis, and asking no compensatiob for land or for setting back fence, this being done to get an easier turn and to keep clear of a pond which is on the north side of the lane, on C. W. Koontz's land; thence running on the present land again, widening on the north side on Koontz's land; S. 84-1/2 E. 44 poles to a turn of the lane; N. 67 E. 68-1/4 poles, passing Koontz and J. K. Summers conner, and widening on the Summers land, to a point in aThomas Chapman's field, just north of a turn in the lane; thence, leaving the lane add running through said Chapman's land along the line of J? K? Summers' land N. 41-3/4 E 19 poles to a point 15 feet east of said Summers' corner; thence through Chapmans land, running in fron of his house, N. 41-3/4 E. 7 poles to a stake, N. 20-1/2 E. 15 poles to a stake in the field, N. 42 E. 17-3/4 poles to a stake in said Chapman and Bush Summers' line; thence running along the east side of a fence and then along the same side of a ten foot right/of-way, through said Summers land, N. 44-1/2 E. 58 poles and N. 43 E. 84 pc poles to the "LacySpring" road. A total distance of one and a half poles over two miles.

On motion and by vote of the Board it is ordered that damages be paid as follows J. L. Long for land and setting back fence $35.00, Sam'l. R. Bowman for land and fenc $26.25, Thomas Chapman for making 90 poles of fence $45.00 , Bush Summers land and fencing $140.00, Michael Summers $16.00 and John Strauderman $4.00 and the Clerk is ordered warrants of the T reasurer for the payment of the same out of the Road

Levy for 1910,
Levy for 1910, and the sum of $118.75 is appropriated to build said road, the pettitioners agreeing to pay whatever balance that is necessary to construct d said road and the Commissioner of Roads for Linville District is ordered to open said road in accordance with this order and make report thereof to this Board .

On motion the Board adjourned to mee Oct. 22, 1910.

On the application of Wm May & others for the establishment of a Public Road.

On motion & by vote of the Board the appropriation heretofore made for the substitution of iron bridge on said road of $125.00 is increased to $180.00 it appearing that $125.00 is not sufficient to construct said iron bridges.

Allowance to Land Assessors 1910.

The Re-assessors of land appearing bepe the Board and asking for an allowance as provided for by an act of the General Assembly 1910.

On motion & by vote of the Board it is ordered the the Reassessors & their assistants be allowed the amount of one dollar ($1.00) per day, for the time actually engaged in the work of re-assessing the lands of Rockingham County for the year of 1910, the said amount to be paid however out of the 1911 levy.

E.W. Carpenter Treasurer

On motion by vote of the Board, it is ordered that the report of H. B. Boudar & Son relative to the affairs of the Treasurer's Office of Rockingham County and the accounts of E.W. Carpenter, Treasurer, be spread upon the minutes of the Board of Supervisors -

REPORT OF H. B. BOUDAR & SON.

Harrisonburg, Va. Octo. 10, 1910.

The Board of Supervisors of Rockingham County:

Gentlemen:

Having been selected by you to examine the books and records in the office of Mr. E. W. Carpenter, Treasurer of the County, for the past year we respectfully report to your Honorable Board that we have completed our labors and submit the facts disclosed by said examination.

On August 23, 1910, the day on which he submitted his annual settlemen of County funds, his liability tomthe County, for county, school and road purposes was $ $23761.81

and to the state of Virginia for taxes, licenses, Pension Fund &c. was 21328.77

making a total liability of $ 45090.58

To meet this he had in bank to his credit as Treasurer $4093.97
and in his office bank drafts to his order, 5565.20

Making a total cash $ 9659.17

Leaving a deficiency of $ 35431.41

The above summary showing the condition of the Treasurer's accounts on that date, is set forth in detail in Schedules "A" and "B" hereto attached.

On August 24th, 1910, he transferred from his personal account to his Treasurer's account the proceeds of a note for $5,000,00, discounted by the First National Bank on August 13th, thus having a balance in that bank on the 24th of $6,526.79 in lieu of $2,190.83 on the 23rd.

On August 25, 1910, he transferred from his personal account to his Treasurer's account the sum of $4,500000from the proceeds of a note for $5,000.00 discounted by the Rockingham National Bank on August 13th, thus having a balance in that bank on the 25th of $4,344.50 in lieu of an over draft of $155.50 on the 23d.

On August 27, 1910, he transferred from his personal account to his Treasurer's account the sum of $8,960.00, proceeds of other loans.

He had in the hands of Collectors tax bills for 1909, which he had assumed, but still uncollected, amounting to $9828.21.

There are on file in his office the State Auditor's receipts, dated August 29, 1910, aggregating the sum of $20,818.52, in settlement of the statement rendered by the Auditor , with the exception of twenty-eight cents, which, with the licenses and pensions collected since since date of said statement, less credit for jurors and witness fees and balances on delinquent liats, leaves a balance due by him to the State and unpaid as of August 23d of $509.97.

We found a few clerical errors in the reports of the Treasurer whic we have corrected in our schedules. The charge to the Treasurer for dog tax was $179.00 too little arising from the posting from the tax book of the Commissioner of the Revenue, the figures being taken from the last page instead of from the last page, and the credit to the Treasurer for warrants paid on account of the General County Levy was $122.03 too little, and a few errors in commissions the difference being $1.75 too little.

Schedule "C" is a detailed statement showing the balances that each account on the ledger would show at te close of business October 5, 1910, if the transactions of the office since August 23d were written up and posted.

Schedule "D" shows the financial condition of the Treasurer's office as of the close of business Octo. 5, 1910.

Liabilities, County of Rockingham, as per schedule "C", $ 15568.85

From other page (totals)	$15754.58	$16799.92
Less Amt. collected on 1910 taxes not credited to accounts	626.26	15128.32
Leaving a deficiency of		1671.60

On October 5, 1910, the Treasurer had in the hands of his collectors tax bills that had been assumed by him. yet uncollected, amounting to $1288.4

It will be seen that the definciency of $35431.41 in the Treasurer's accounts as of August 23, 1910, has been reduced by the proceeds of notes discounted n$8835.96

by proceeds of loans 8960.00

Receipts from his collectors 8539.74

By the use of other private assets 7424.11

Amount paid over 33 33759.81

Thus leaving the deficiency on October 5, 1910 to be $1671.60

When the Treasurer subbmitted his reports on October 7, 1909, the Financial condition of his office was as follows:

Liabilities due the County for all purposes as per ledger $15099.66

" " " " overdrafts at banks

Rockingham National	191.96	
Peoples	33.15	
First National	3592.42	3817.53
		$18917.19

Assets. School warrants paid and not posted 1925.00

Due the / County 16992.19

" " State for Licenses collected 1284.60

Total due the County and State with no money on hand to meet it $18276.79

Ifthe Treasurer paid any money for jurors or witness fees after his settlement with the State for the year 1908 and before this date, then he would be entitled to a credit for the same on this balance of $18276.79.

On October 7, 1909, the Treasurer had in the hands of collectors tax bills that had been assumed by him, yet uncollected, amounting to $4370.45

The Treasurer states that the collections made in his office are deposited in Banks separate and distinct from his personal funds, except such collections as are used in cashing warrants over the counter in his office; he does not however keep the funds of the County and State separate.

The Treasurer in his settlement with the State Auditor in December last used $4,000.00 of County Funds, thereby benefitting himself to the extent of 5% thereon, or te sum of $200.00, which, if added to the deficit of October 5th, 1910, would make that deficit $1871.60.

Although unable to ascertain from the books the exact amount thus used in the December Settlements with the State Auditor in previous years, it is estimated in the office that the sum of $4,000.00 per year would be

a fair average for some years back, of such use of the County funds

From the facts heretofore stated, it is evident that some portion of both the State and county funds have been used by the Treasurer for purposes other than those contemplated by law. This is shown by the fact that atthe dates of settlements nad statements by the Treasurer, he has not had on hand sufficient cash to cover the balances due by him to all of the funds, nor is this shortage explained or offset by the amount of uncollected taxes assumed by the Treasurer as the amounts claimed by him as due him on uncollected taxes is not sufficient by a large amount to cover the balance due.

We call your attention to this matter, as naturally the question arises as to ~~wh~~ whether the County has any claim againt the Treasurer for interest on the money so used.

No bank account is kept in the office, the check books are not added up, and the largest bank account was not written up from 1905 until some time in 1910. The Treasurer himself has to go to the bank for information, when he wishes to know his balance. No account with the State is kept in the ledger and after a settleent with the Auditor, the warrants being returned, it is impossible from the records to ascertain how the Treasurer stood with the State on a special date. Many warrants are on file not bearing the signature of the Chairman, some of the Commissioner, some of the Clerk and some neither the Chairman nor Commissioner, signed only by the Clerk.

Mr. John B. Peale, Clerk to the Treasurer, and Mr. J. F. Blackburn, Clerk to the Board, were ever ready in furnishing information, and we highly appreciate the assistsance rendered by both, during the progress of our examination.

Respectfully submitted,

H. B. Boudar & Son.

Messrs - Chas. E Fahrney & J.N. Swank were appointed a Committee to investigate the receipts of the Sheriff's office & to make & recommend to the Board what allowance should be made to the Sheriff on what accounts should be paid for by the Board out of the County levies for supplies furnished to the Jail.

Wm. Geo. N. Conrad, Attorney for the Commonwealth called the attention of the Board to certain statements & findings contained in the Report of H.B. Bowdan & Son relative to the conduct of the Treasurer's office, and stated that if the Board desired any civil action by him relative to said report, it was necessary for the Board to so authorize, as he had no authority to institute any such proceeding on his own motion.

On motion the Board adjourned.

Jany 11th 1911

At a meeting of the Board of Supervisors of Rockingham County held at the Court House thereof on the 11th day of January 1911 there were present, F. A. Woalwole, Esq. Chairman, & Messrs. W. H. Harrison, G. Ed. Miller, J. N. Swank & Chas. E Fahrney -

E. W. Carpenter late Treasurer, having presented his accounts for final settlement, and the question having arisen as to commissions on the amount of the cash fund to be turned over to the Hon. G. B. Keezell the present treasurer it was resolved -

That it is the sense of this Board that the law doesnot Treasurer permit ~~the payment~~ the payment of 3½% to Mr Carpenter and an additional Commission to Treasurer Keezell on the fund of about $60,000.00 which E W Carpenter has collected but not disbursed but which he is to turn over to Treasurer Keezell to be disbursed by him.

It was moved that E W Carpenter be allowed 2½% & that Geo B. Keezell be allowed 1% on the amount collected but not disbursed by E W. Carpenter but in order that said motion might be so worded as not to charge any fund with more than the commission allowed for collecting & disbursing county funds under the law - said motion was continued until the 12th inst.

On motion the Board adjourned to 9.30 A.M. Thursday Jany. 12 1911.

D.F. Gil — Bridge at Broadway ✓

On motion & by vote of the Board the contract for building the Bridge across the N. Branch of Shenandoah River near Broadway Va was awarded to the Virginia Bridge & Iron Co. of Roanoke, it being the lowest bidder, at the price of $3159.00 and thereupon the said Company entered into contract to furnish & erect the superstructure & lay the floor according to the plans and specifications of State Highway Commissioner for 12 ton capacity as per plan dated Sept 30, 1910 - and for the faithful performance of it said contract said company agrees to enter into a bond for $3000.00.

Bond Issue for Plains Dist. ✓

Whereas a petition signed by 300 or more of the land owners of Plains District has been presented to this Board, requesting this Board to petition the judge of the circuit court to call an election under certain acts of the General Assembly of Virginia being an Act Approved Feby 25, 1908, Acts 1908 p 71 and a Special Act for the improvement & construction of the Brocks Gap road approved March 3, 1910 Acts 1910 p 131 Entitled An Act to authorize the Board of Supervisors of Rockingham County to establish and construct as a State money aid road the Broadway & Brock's Gap public Highway &c

Therefore be it resolved by this Board that the judge of the Circuit Court of Rockingham County be and is hereby petitioned to order an election under said acts:—

And upon the motion for the adoption of said resolution the vote being as follows Affirmative, Messrs. Turner, Washington, Harrison & White Negative Mr Swank.

Ordered that this action be certified to the Judge of the Circuit Court.

Janry 24 1912

At a Special meeting of the Board of Supervisors of Rockingham County held at the Court House thereof on the 23rd day of January 1912 — Present:- M. H. Harrison, Esq. Chairman, and Messrs D.N. Washington, Buck T. White, J.H. Swank & A.M. Turner.

On motion & by vote of the Board the following resolution was passed and adopted - Viz.

Whereas, the fourteen hundred miles of roads in Rockingham County seems adequate for the present,

Road Road

And whereas, The welfare of the County demands that these roads be improved rather than increasing the mileage, thus making maintenance more burdensome,

Therefore be it resolved By the Board of Supervisors, that only road petitions of the most urgent public necessity shall be granted and that all sums remaining of the road and bridge fund in excess of two thousand five hundred dollars shall be divided among the districts as the law directs.

On motion & by vote of the Board the following resolution was passed;

Fee system

Believing that the tax payers have the right to know the amount of compensation received by the various County and State officers, and believing the fee system in vogue throughout the State of Virginia to be antiquated, extravagant and unbusinesslike and to have long since served its day of usefulness, the Board of Supervisors of Rockingham County respectfully petitions the Legislature of Virginia to enact some law providing for the payment of Commissioners Salaries to Clerks, Sheriffs, Treasurers and other officers in lieu of the fees at present received by them, for we believe that a business administration and the economical management of State & County affairs demand such a change.

Be it further resolved that a copy of these resolutions be spread upon the minutes of the Board of Supervisors and that

certified copies thereof be forwarded to the President of the Senate, the Speaker of the House of Delegates, and the Representatives of Rockingham County in the Senate and House of Delegates of Virginia.

April 17th, 1912.

At a meeting of the Board of Supervisors of Rockingham County held at the Court House thereon on the 17th day of April, 1912, pursuant to adjournment

PRESENT: M. H. Harrison, Esq., Chairman and Messrs. D. N. Washington, Brock T. White, J. N. Swank and A. M. Turner.

Road Bonds

The Commissioners of Elections having certified to this Board that at the election held in Plains District, March 19th, 1912, as to whether Plains District should assume the payment of the bonds of Rockingham County for the construction of the Broadway and Mathias (West Virginia) public road as a toll road, should the tolls provided in the act authorizing the construction of s said road for any reason prove insufficient, that at said election there were 479 ballots cast in favor of assuming payment of said bonds and 311 ballots against assuming payment of said bonds, it was thereupon moved that this Board do issue $30,000.00 of bonds in accordance with the Act of the General Assembly of Virginia, entitled "An Act to authorize the Board of Supervisors of Rockingham County to establish and construct, as a state money aid road the Broadway and Brock's Gap public highway &c. " approved March 9, 1910. on which motion and the resolution hereinafter set forth, D. N. Washington, A. M. Turner, M. H. Harrison and Brock T. White voted in the affirmative and J. N. Swank in the negative, as to the resolution whereupon said motion was declared carried and the following resolution adopted.

Whereas, the qualified voters of Plains District by virtue of an act of the General Assembly of Virginia, passed March 9, 1910, held and election pursuant to that act, to determine the question as to an issuance of bonds to construct the Broadway and Brock's Gap highway; and,

Whereas, by said election, held on the 19th day of March, 1912, a majority of the qualified voters of said district voted to issue said bonds as provided in said Act of the General Assembly:

NOW THEREFORE, looking to this end, be it resolved by the Board of Supervisors of Rockingham County, that bonds of Rockingham County, in aid of and for the purpose of constructing, said ~~road~~, be printed to the amount of Thirty Thousand Dollars; said bonds shall be in denominations of $100.00 each, with interest coupons attached, and shall be in three series of Ten Thousand Dollars each, the first series to become payable ten years from the date thereof and to be redeemable at the option of the Board of Supervisors 3 years after date; the second series to be payable fifteen years after date and to be redeemable at the option of the Board of Supervisors 5 years after date; and the third series to be payable twenty years after date and to be redeemable at the option of the Board of Supervisors at the end of 10 years after date. said bonds sh shall bear interest as follows: the first series at the rate of six per cent per annum, the second and third series at the rate of five per cent per annum; the interest on all of said bonds to be paid annually. Said bonds shall be drawn in accordance with Chapter 100 of the Acts of the General Assembly of

of Virginia of 1910 and of 1910.

The Clerk of this Board is directed to have the said bonds printed as described in this resolution and deliver the same to this Board for its approval and signature and by the said Board to be issued as provided by law. Said Bonds shall be dated May 1st, 1912.

On motion by vote of the Board, G.R. Eastham was directed to make a thorough examination of the bridge on the Warm Springs Turnpike over North River at Bridgewater Va. and to make a report of the condition of said bridge and an estimate of the cost of repairing the same.

On motion the clerk was directed to ask for bids for printing for the county.

To the Honorable Board of Supervisors

of Rockingham County,

Gentlemen:

We will agree to give you five hundred dollars ($500.00) per year, payable in two equal payments, payments to fall due January 1st, and June 1st, of each year, for the prèviledge of managing the Assembly Hall for a term of one year with the previledge of five years. This you understand is not leasing the hall, but you retain controll of same as at present, but instead of you giving 15% of gross receipts for managing it, you receive five hundred dollars and still retain controll.

We agree to play only legenimate shows (no pictures) and will assure you better care of the building and property than heretofore, and we also assure you of better conduct, then what has been in the past.

We will pay all expenses, except, light, heat, water and janitor, we further agree ~~xxxx~~ to secure help for janitor, in cleaning the hall whenever there is a show.

Respectfully,

Dear Sir:-

The Board of Supervisors of this county will hold a special meeting next Tuesday, July 2nd, at which time they expect to take up the matter of the claim of the Radcliff Bureau, of your city, against them for a settlement of the amount claimed to be due the said Radcliff Bureau by reason of the alleged breaking of a certain contract claimed to have been entered into between the said Radcliff Bureau and myself, as manager of Assembly Theatre for the Board of Supervisors, and they have asked me to communicate with you with a view of ascertaining whether you had any proposition to make them looking to a compromise of the claim. Please advise me at once what you have to offer, and the matter will be taken up at that time and it will then be determined whether, for the purpose of a peacable settlement, they will pay them anything, or will feel justified in availing themselves of any technicalities that they might have in their favor.

Yours very truly,
